Federal regulation allows financial aid to automatically pay course tuition and fees. Using financial aid for payment of any other charges such as graduation fee, prior learning fee, or a prior balance requires written authorization from the student.

Please check below:

- I authorize Granite State College to use Title IV federal funds to pay for the following miscellaneous charges: Graduation Fee and Portfolio Option Fees (i.e. prior learning, software tools).

- I authorize Granite State College to use current financial aid Title IV federal funds to pay \$200 of my balance from a previous financial aid year.

IMPORTANT: This authorization will remain in effect until the Student Accounts Office is notified in writing of your desire to change or rescind. Cancellation of this authorization will not be retroactive and will take effect on the date received by GSC.
